

RE: Deductible Gift Recipient – Discussion Paper

To whom it may concern,

In relation to the discussion paper regarding Deductible Gift Recipients I would like to note the following points:

- All environmental charities should be regularly reviewed to make sure they are abiding by the law.
- Any environmental protest group that breaks the law should immediately have their DGR status revoked. Taxpayers should not subsidise illegal protests by anti-mining groups.
- To be eligible for DGR status, the primary purpose of an environmental charity should be 'on-ground' work that improves the local environment.
