

Australia Marketing Pty Limited's [AMPL], submission on Australian Small Business and Family Enterprise Ombudsman Bill 2015.

Australia Marketing Pty Limited welcomes the opportunity to submit input on Australian Small Business and Family Enterprise Ombudsman Bill 2015.

Australian Small Business and Family Enterprise Ombudsman, besides acting as concierge for dispute resolution should be able to offer as a last resort, its own dispute resolution services, in cases where ongoing disputes remain unresolved through state based Small Business Commissioners.

Ongoing unresolved disputes have significant impact and detrimental effect on Family and business, and is found to be inherently unfair violating the principle of fairness, which we regard as highly valued ethical norm, and has caused significant financial detriment and financial losses.

Thank you for the opportunity to participate in this important review, and that Small Businesses and Family Enterprises are treated fairly and that they have access to Justice and effective empowered dispute resolution services.

**Yours sincerely
