Subject: Tax deductions by charity groups
Date: Monday, 19 June 2017 8:50:44 PM

If these so called charity groups break the law, they should be treated the same as everyone else and pay the penalty's that the government should have worked out well before giving them special tax breaks. what about giving our retired workers who have probably paid taxes most of their working lives some incentives instead of taxing them to prop up supposed charities which are mainly staffed by activists that have never paid any taxes
