Dear Treasury,

SISS Data Services Pty Ltd is submitting a strawman data security standard as part of the Open Banking Data review.

This data standard will cover the following areas:

1. Minimum data security
2. Control requirements
3. Business continuity and disaster recovery
4. Insurance
5. Accreditation

We are currently finalising the submission , and ask for a extension to Sunday night if possible.

Regards

Grant Augustin  
Managing Director
