Dear Sir Honourable Treasurer: Josh Frydenburg,

Dear Mr. Phillip Gaetens,
Secretary To the Treasury,

Hi! It's Ms. Michelle J Higgs here again, (from last time with the ITAA36 Div7A),

I would just like to let you no that I have no problem with the small and large proprietary corporation thresholds.

I think that they post a fair and true view, are just, and, are, also, equitable, too.

If you think your government department has any queries; please let me know, preferably, as soon as possible.

Yours Sincerely,

Ms. Michelle J. Higgs
