Dear Sir/Madam;

As a 20-year established Australian supplier/contractor to the Commonwealth & State Government (Defence, Law Enforcement & Security) we take our corporate and civic responsibilities very seriously and appreciate initiatives such as this.

In fact, we would encourage treasury to consider actually lowering the contract value threshold if possible, but appreciate the additional resourcing that this may entail.

I would be happy to provide further detailed response if requested.

Best Regards

Nick Stokes, *Managing Director*
