Thanks for starting the consultation process.

I read the draft legislation and explanatory documents.

Disappointing to see no mention of the most important aspect of the plan (including):

- Interest rates to be charged
- Terms – loan darnation
- What if default
- Minimum – Max revenue to apply?
- Application process?
- Etc etc ... everything of importance to potential borrowers.

i.e. the most important aspects of it !

regards,

MARCO TAPIA
