Unit Pricing Code Consultation Paper
Consumer and Corporations Policy Division
The Treasury
Langton Crescent
PARKES ACT 2600

Dear Sir/Madam

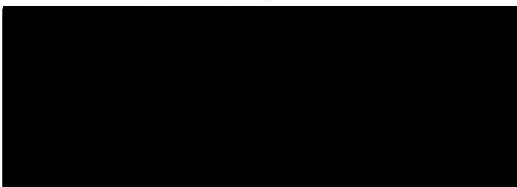

Thank you for the opportunity to provide feedback on the Retail Grocery Industry (Unit Pricing) Code Review.

Bunnings is the leading retailer of home improvement and outdoor living products and a major supplier to project builders, commercial tradespeople and the housing industry. In Australia we employ over 40,000 team members across 320 trading locations.

Bunnings is aware that the current Retail Grocery Industry (Unit Pricing) Code expires in October 2019 and that there may be consideration of expanding the Code to include additional sectors and products. While Bunnings believes that regulations need to be kept simple and prescriptive, we would welcome any changes that have the potential to increase consistency and simplify pricing for consumers.

We would greatly appreciate the opportunity to engage in further consultation and to discuss the practical implications of any proposed changes. If that would be appropriate, please don't hesitate to contact me on [REDACTED].

Your Sincerely

Brenton Eblen
