

Submission for our own postal bank

I here by will support a postal bank, that is owned by Australians, and is run in accordance to our original constitution.

Our money should stay here in Australia and support new industry and jobs for our own people.

Ive had Enough of giving money to worlds elite, who obviously have become way too powerful and over bearing.

Advance Auatralia forward, not backwards.

Ps : i would like my name and contact details to remain anonymous.
