Colleagues

Law Division has done a summary of the Robodebt Royal Commission recommendations. I would encourage you, if you have not done so, to read through the recommendations in the report. We have an all SES townhall meeting on Thursday morning and this will be one of the topics for discussion.

Regards

Roxanne

Dear PRC

As flagged at our meeting today, please find attached an internal document LD has prepared summarising relevant recommendations identified by Commissioner Holmes in the Report handed down on 7 July 2023. The Commissioner has made 57 recommendations.

We understand that EGCB is preparing a brief (for the department?) on the report. Perhaps once complete, it would be a good opportunity for the Committee to consider where we can best add value.

Warm regards,

Erin
