RESENT – corrected

My dear former Treasury colleagues

What do you want?

The interest rate is already penal. Do you seriously want to drive people to covert or open defiance?

Tax collectors have destroyed empires. Please read a bit of history before grubbing around for more here or there.

Poor Sir Robert Garran. When people start to think that their Commonwealth of Australia is a shonky, dishonest, duplicitous, dishonourable and disreputable organisation devoid of any principles you will have a real problem.

Very sad to see “Prosper the Commonwealth” today.

With every best wish for a bit of sanity

Kind regards

Terry Dwyer
